

## EXCURSIONS

# Exclusive Vip Catamaran

Enjoy our brand new catamaran "Caribbean Sea II". Starting from the Punta Cana Marina we will sail along the coast until a reef area where we will have time for snorkelling. After that we will go to the submarine museum, something new in the area. From there we will make a stop at Playa Blanca to enjoy a delicious meal with lobster. Boarding again the catamaran we will sail to the natural pool, having time for swim and a drink. Coming back to the marina we will do our last stop at the ecological reserve "Ojos Indigenas" for a chance to swim in the natural fresh water of the lagoons. A full day VIP catamaran adventure!
