

## EXCURSIONS

# *Relax & Detox Cruise -Spa Boat*

This unique 3 hour excursion is designed to provide extreme relaxation in a very exclusive setting. This double decker boat, designed to be a sailing spa, has restricted capacity in order to provide personalized attention. Let us get you involved in bio-Pilates stretching exercises to help you relax while you cruise the calm and colorful waters of Punta Cana.

You will reach maximum relaxation while participating in our Individual massage treatment. This massage is offered in private cubicles with ocean view, and includes head massage, and full back massage.

Enjoy a relaxation session on our floating mattresses in the natural pool. Let us introduce you to our world famous Doctor Fish where you will be treated to the most amazing natural feet exfoliation treatment. Also you will enjoy our Detox treatments; a therapy aimed to improve, among other things, your liver and kidney function, through an electromagnetic detoxification process carried out on the feet.
